

# Build It Back

A private space to work through a knock to your confidence.

*One hard moment isn't the whole story. Answer what you can, skip what doesn't fit yet.*

## 1 What happened

What happened, and what are you concluding about yourself because of it?

---

---

---

---

---

---

## 2 Check the evidence

What evidence supports that conclusion, and what evidence doesn't?

---

---

---

---

---

## 3 You've done this before

Have you handled something similar successfully before? What did you do?

---

---

---

---

---

**4 What you'd tell a friend**

If one of your close friends was in this situation, what would you tell them?

---

---

---

---

---

**5 Try before you're ready**

What would you be willing to try if you didn't need to feel completely confident first?

---

---

---

---

---

**6 A reminder you're capable**

What is one thing you can do next that would remind you that you are capable?
